CUSTOM ESCUTCHEON ETCHING WITH BERGEN LEVER & DEADBOLT IN POLISHED CHROME

# SINCE 1948

Taymor is a designer and manufacturer of architectural hardware products and the leading choice of professionals for residential, multi-family, and hospitality projects. Family owned for over 65 years, we continue to drive superior value to our customers through design, quality, and affordability. With our design-coordinated door and bath hardware collections, we make it easy to harmonize finish and style in any space. Today, our door locks, bath accessories, faucets, and commercial hardware products can be found in some of the most iconic buildings in North America.

## DOORWARE

**Sleek and secure.** Our Premier and Professional Series® handlesets, levers, locks, and accessories are recognized by pros for their quality, reliability and ease of installation. We have the latest designs and most durable finishes available with the ANSI grades, fire ratings, and keying services you need.

## BATHWARE

**Enhanced style, added function.** Customize the look and feel of your projects with our attention to design, material and finish — because the smallest details make the biggest difference.

## FAUCETS

**Flawlessly sculpted.** Our faucets and shower systems unite performance engineering with timeless design sensibilities and quality materials, offering unparalleled performance for years to come. Look for the WaterSense® label, which may also contribute to your project's eligibility for LEED credits or BuiltGreen points.

## COMMERCIAL

**Up to standard.** Our comprehensive lineup of commercial door hardware and accessories delivers consistent, dependable performance across an array of applications.

# EXPERIENCE THE DIFFERENCE

## PARTNERS IN SUCCESS

Taymor works directly with design and development teams to identify the best hardware solutions for each application. We have extensive experience working on large-scale projects and welcome the opportunity to work with you to ensure your job is a success.

## ATTAINABLE & DESIRABLE REWARDS

We now offer a **Builder Partnership Program** that encourages integrating all Taymor product categories into your projects. This program rewards brand loyalty and brings you added value with benefits such as custom warranty documents, escutcheon etching, custom logo keys, and more. You receive benefits whether you purchase doorware, or bathware, or all of our product categories: doorware, bathware, commercial hardware, and faucets. Keep in mind, the more you build and the higher number of product categories you purchase from, the greater your reward.
