

LUNA INDUSTRIAL

DYNAMIC RANGE | SEMI-PRO STYLE | MAGNETIC DOCKING | DUAL SPRAYHEAD

Upscale design with commercial integrity; new to the Luna collection is our chef style single lever kitchen sink faucet. Standing tall, with an industrial inspired stainless steel hi-arc swing spout, the Luna is the perfect blend of quality and durability mixed with function and style. This designer favorite, features a dual sprayhead with magnetic catch—that easily locks the pull-down spout back into place. Easily select between spray patterns by the push of a button.

Bringing beautiful form, versatile function and added convenience to the kitchen
