# Product Showcase — 1948 — *The Premier Line*

1948 Round

1948 Square

Inspired by traditional post-and-beam construction, 1948 adds architectural appeal to The Premier Line with its striking good looks and premium refinements. With a newly designed collarless rose and square post, 1948 emphasizes clean lines. Its distinct shape, which features an ergonomic curve on the back of the lever, ensures it feels good in the hand. Round or square, 1948 pairs well with our Pro deadbolt for entry functions and coordinates with our 1948 bath hardware collection for a fully integrated, cohesive design.

**In celebration of Taymor's 70th anniversary, the commemorative 1948 lever represents Taymor's long and proud history as a Canadian architectural hardware company.**
