Arc Deco — *The Premier Line*

Taymor®

Sweeping arcs. Subtle curves. Sleek lines and angles. The bold geometric forms that defined the iconic architecture of the Roaring Twenties are back, with renewed relevance for the contemporary homes of today. Introducing Arc Deco, an exclusive collection of coordinated door and bath hardware that embraces the same simplicity of form and expression of pure shape. Each piece features strong intersecting lines that transition to a distinctive arc, balancing stylistic elegance with sculptural form.
