Sculptural Form

A towel bar isn't just an accessory. It can be an opportunity, the beginning of a story, one that asks us to reimagine how a towel bar can function. Introducing Dual Harmony, a sculptural collection from Taymor that features dual elements and dual finishes, performing in symphony together. Moveable hooks punctuate the bars like notes across a sheet of music. Customizable, intuitive, and contemporary, Dual Harmony delivers increased functionality in a refined form. Bring harmony to the bathroom, with a lifestyle solution you can tailor for your needs.

Intuitive and versatile in a minimal and contemporary form

- A complete customizable solution
- Moveable hooks and different configurations maximize space
- One piece design
- Concealed screw mount ensures a sleek contemporary installation
- Mounts like standard towel bars and includes mounting hardware for easy set up
- Dual finishes can be mixed and matched
- Available in Polished Chrome and Matte Black

LIFETIME
WARRANTY
